

# Hales & Heckingham Parish Council

## MINUTES OF PARISH COUNCIL MEETING

Held at Hales Village Hall on 17<sup>th</sup> July 2019

### Present:

HHPC Councillors: Sheila Beckett (SB) - Chair  
Georgina Buckle (GB)  
Phil Grimes (PG)  
Andy Woodman (AW)

Parish Clerk Eleanor Bannister (EB)

Other attendees: Cllr. Kay Billig, Cllr. Jeremy Rowe and Cllr. Margaret Stone.  
Jerry Stone (Agent for the proposers of Planning Application 2019/1224)  
A number of residents of the Parishes

**19/59 Welcome** – The Chair opened the meeting at 19.30.

**19/60 Apologies for Absence** – Received from Cllr. Alan Mason.

**19/61 Declarations of Interest** – Received from Cllr. Phil Grimes in relation to item 11.1 on agenda, Planning Application 2019/1252 – Faber Roofing Green Lane. [Minute item 19/69.1]

**19/62 Approval of Minutes of the Meeting held on 12<sup>th</sup> June 2019** – Approved and signed.

**19/63 Action Log from Meeting on 12<sup>th</sup> June 2019** – Discussed. See pages 6 & 7 for updates.

### **19/64 Meeting Adjourned for Public Forum**

**64.1 Planning Application 2019/1252** – Was raised by a resident. Positive in principle, they requested to see the plans and sought reassurance that the adjoining wall would be properly repaired, as it was regularly being damaged. In discussion, it was agreed that there should also be the prerequisite number of parking spaces. [See Minute item 19/69.1 for further details.]

**64.2 Planning Application 2019/1224** – Was raised by a resident who is seriously concerned by the issue of access and increased traffic on a single-carriage road which is used by young children/bicyclists. The Parish Council has also received an email from residents registering concern in relation to access and pollution, and the impact on the environment/wildlife given light pollution. This was discussed with Jerry Stone. For a

# Hales & Heckingham Parish Council

list of the questions, and the answers given, see Appendix 1 on page 8. [See Minute item 19/69.2 for more details.]

## 19/65 Meeting Reconvened

### 19/66 Environment & Amenities Working Group updates

**66.1 Bus Shelter** – The new bus shelter has been installed. More litter has been noticed around the Norwich-bound bus shelter. It was agreed to monitor this and apply for a South Norfolk Litter Picking grant for litter picking equipment.

**66.2 Parish Council Public Noticeboard** – This is now in place in the old bus shelter beside the original noticeboard. The latter is available to any resident to advertise on.

**66.3 Verges close to roundabout & A146 tree planting** – The Parish Council position is that verges should be cut only if there is a safety issue, following Norfolk Wildlife Trust 'Living Landscapes' policy. Cllr. Margaret Stone is supportive and pushing for this position to be adopted generally, noting Rotherham Council's Wildflower Planting scheme as an example to follow. Norfolk County Council have confirmed that CGM, the contractor responsible for landscaping, will return on 5<sup>th</sup> August to replant the verges and roundabout under a three-year maintenance plan. All agreed to review the situation in September.

#### **66.4 Playing Field - Annual Inspection Report**

A summary of the report was discussed, and the resulting action points are attached in **Appendix 2** on page 9. It was noted and agreed that although most action points are 'Low Risk', the Parish Council should address them and regularly monitor where monitoring was advised. AW noted that it was saddening that some of the issues highlighted were down to vandalism and that from the Parish Policing Report, there were four thefts from the Playing Field between January and May 2019. See Minute item 19/71.3. The old goal post which is now rusted and again is not stable was discussed. It was agreed to get a quote for its removal given the safety risk and when new funds were identified, to consider a replacement.

**66.5 Norfolk Highway Rangers** – It was noted that despite repeated requests they still have not confirmed what items previously requested have been addressed. However, the give-way sign at the junction of School Lane and Norton Road has been reattached. GB noted she could contact the 'Community Pay Back Team' who offer free labour and have helped Chedgrave Parish Council with various repairs. This was agreed as a way forward.

**66.6 Parish Map** – It was agreed to discuss this item at the next meeting in September.

### 19/67 Road Safety & Traffic Management Working Group

# Hales & Heckingham Parish Council

**67.1 One-way systems for BP Garage & signage** – The owner of the BP Garage has confirmed his support in writing for a one-way system to minimize the risk of accidents. [The manager has previously noted that it was their understanding a one-way system was originally planned.] The Council agreed to review documents to confirm a one-way system was part of the original specification and to lobby Norfolk Highway for this.

**67.2 Speed Activated Monitoring System (SAMS)** – GB reported that it may be possible to rent a SAMS from the Council. It was agreed the Clerk should write to Haddiscoe Parish Council to see if they would share/rent their SAMS. GB reported there had been limited speed-watch activity given the holidays. Additionally, there are 90 speed-watch teams in Norfolk and only one person collating all the data. To register for a Police speed-watch team of 2 x 1hr. sessions, one needs to capture 20 speeding vehicles per month at over 34mph. and over 15 speeding vehicles to register for a 1hr. session.

**67.3 Norfolk Highways “Parish Partnerships” scheme for local highway improvements** – PG recommended writing a bid to increase the footpath to the bus stop on the eastside of Green Lane to two metres (from one) using a ‘trod’ system\*. Estimate cost circa £560 excluding labour. Tim Vincent of Norfolk Highways is in favour. Gary Overland is still to comment. The Council agreed this would be of benefit and should be progressed. [\* A low-cost footpath using unbound material instead of asphalt, which is appropriate for sensitive rural settings and normally offers a wider, level surface, and better drainage.]

**19/68 Village Hall Working Group** – The Clerk confirmed that it is only the ‘managing trustees’, not the Parish Council that are obliged to ensure the proceeds of the sale of the hall are used for the benefit of the residents, as directed by the Charities Commission and the governing document. However, all agreed the Council should contact the Charities Commission and/or the managing trustees to discuss ways of ensuring the proceeds were used in a manner that maximised the benefit to the residents of Hales & Heckingham.

## **19/69 Planning Working Group**

**69.1 Planning Application 2019/1252: Faber Roofing Green Lane, Hales; Demolition of existing B2 premises and development of 4 bungalows** – SB read the comments sent in by one resident and noted that they will only ever be single-storey dwellings. The Council agreed to support the application with the following conditions: 1. The adjoining wall was properly repaired. 2. Eight parking spaces were made available to avoid increased issues with on-street parking. 3. The trees were not disturbed in the nesting season and a pre-works survey is conducted prior to the removal of vegetation to confirm birds would not be disturbed. [See also Minute item 19/64.1]

# Hales & Heckingham Parish Council

**69.2 Planning Application 2019/1224:** Land East of Briar Lane Heckingham Norfolk; Development of gallops, menage and parking area – The need for fuller details including an impact assessment on local traffic, the environment and light pollution, was highlighted. The Council also noted it was unaware of any existing planning permission for a menage, as indicated by Jerry Stone in the Public Forum (item 19/64.2) and agreed to clarify this. It was noted that Cllr. Kay Billig had said the application would need to be discussed at a District Development Management Committee meeting. The Council unanimously agreed to

- i. Request that the consultation period is restarted as no Site Notification had been displayed and residents were unaware of the application.
- ii. Request an Environmental Impact Assessment.
- iii. Refuse the Application on the basis of: The unsuitability of the single-track country lanes needed to access the proposed site; the negative impact on the amenity of other road users and the issue of safety, given the very limited number of passing spaces; the impact of the additional floodlighting on wildlife, given it is on the edge of the Broads National Park and borders their 'dark skies' area; the detrimental impact on the amenity of a number of local residents as a result of the commercial opening hours from 08.00 to 21.00, seven days a week.

**19/70 Composting Working Group** – See Appendix 3 for update from Cllr. A. Mason.

## **19/71 Police & Safety**

**71.1 'No Cold Calling Zone'** - The proposal required 75% of Briar Lane residents to support it. As it did not reach this support the Community Police Officer was obliged to reject the proposal.

**71.2 Invitation to PC Armstrong** to attend future meeting – It was agreed that AW, as 'Police & Safety Working Party' lead, would invite them to attend a future meeting.

**71.3 AW circulated HHPC Parish Policing Report** listing reported crimes between January and May 2019. [See Appendix 4.]

**19/72 HHPC Newsletter** – All Councillors agreed to respond to SB with their comments on the draft which had recently been circulated.

## **19/73 Correspondence**

**73.1 Collection of rubbish around the bus stops** – Addressed under Minute Item 19/66.1

**73.2 Signage placed by The Pastures Care Home – obscuring view of B1136** – Resolved.

**73.3 South Norfolk District Council Review of Polling Stations** – Agreed need to maintain the Village Hall as the Polling Station. Clerk to respond to survey confirming position.

# Hales & Heckingham Parish Council

**73.4 Broad's Authority Contact Database** – It was agreed HHPC should remain on the database.

## 19/74 Finance

**74.1 Internal Audit Report / Adepta** – Confirmed; the external audit process is underway.

**74.2 AGAR - Excise of Public Rights notification** – Has been posted (from 26/6 to 6/8).

**74.3 Accounts for authorisation and payment** – All accounts below were approved.

Payee	Gross Amount	Net Amount	VAT to reclaim	Purpose
Mr D. Bracey	£96.00	£80.00	£16.00	Annual Inspection of Playing Field on 26/6.
Ms. S. Beckett	£152.40	£127.00	£25.40	New, Lockable Notice Board – located in old bus shelter
HMRC	£100.00	£100.00		Related to 2014 Notice
Robert's & Sons Printers	£48.00	£45.00	£3.00	£30 for double-sided leaflets for Annual Parish Meeting & £15.00 for vinyl strips for Playing Field Notice Board.
Mr D. Foreman	£150.00	£150.00		Cutting of Playing Field Grass in May and June (3 times)
Bus Shelters Ltd	£7,063.32	£5,886.10	£1,177.22	Replacement Bus Shelter ( <b>The insurers will reimburse HHPC and the Composting Scheme is kindly covering the excess of £250.00.</b> )
<b>TOTAL PAYMENTS</b>	<b>£7,609.72</b>	<b>£6,388.10</b>	<b>£1,221.62</b>	

## 19/75 Items for consideration of inclusion on next agenda

**75.1** Parish Council external communications – Confirmation on process

**75.2** Contact Magazine – Process for communicating regularly to update residents and maintain profile.

**75.3** Parish Map – What it should include.

## 19/76 Date of next meeting – Wednesday 11<sup>th</sup> September

**The meeting was Closed at 9.40pm**

# Hales & Heckingham Parish Council

Updated ACTION LOG. [Items previously 'closed' have been removed.]

ID	Action – from November / December Minutes	OWNER	STATUS
19/56.3 19/66.6	<b>Parish Map</b> – New options for locally produced map being explored and SB to suggest contents.	SB	Carried forward
20/05 19/71.1	<b>'No Cold Calling Zones'</b> – Not sufficient interest from residents on Briar Lane, so will not be progressed.	AM	<b>Closed</b>
20/14	<b>Churchyard expenditure:</b> Report back on review. <b>13/2:</b> AM to meet with contractor.	AM	Carried forward

19/75.2	<b>Contact Magazine &amp; regular editorial</b> – Agreed to discuss at next meeting and that the Chair & Deputy Chair could write editorials.	SB / AW	New

# Hales & Heckingham Parish Council

## APPENDIX 1.

### Minute Item 19/64.2 – Questions raised in the meeting re: Planning Application 2019/1224

Question raised	Answer - from J. Stone	Remaining concern noted:
How much car-parking was planned?	There was parking for about two horse boxes. Horse boxes were smaller these days and generally weighed 3.5 tons. Further, it was unlikely to be used by more than one person at a time.	Horse trialists normally have HGV licenses. The road is single carriage and only has one passing place. Additionally, it is used daily by cyclists (including school children), walkers, horse-riders, cars/commuters etc.
Long opening hours from 8.00am to 9.00pm necessary?	He did not envisage it would be used all this time; 3-day eventing is a niche market.  Additionally, there was already planning permission for a menage.	It was questioned whether it was so niche and whether it would attract higher usage; and it is a 'commercial' venture.  The menage planning permission was questioned and J. Stone said he would check if it was invoked.
Impact on neighbouring properties taken into account?	There were no residential properties nearby.	There are three neighbouring properties that would be affected.
Potential increase in traffic considered?	J. Stone is in discussion with Stuart French, Norfolk Highways Management & Licensing Officer. Plus, it was a commercial, busy farm so you would expect to meet lots of vehicles.	Fuller assessment requested.
Could an Environmental Impact Assessment be organised?	This would be very expensive and was not required (legally). Additionally, there is already a lot of lighting.	Cllr. M. Stone noted that the County Council would have a view on this. The Parish Council noted this was a condition it would request. It was also noted that there is not already a lot of lighting.
No Site Notice appears to have been posted notifying the public...	[This is the responsibility of South Norfolk District Council.]	This was noted by Cllr. Kay Billig and Cllr. Margaret Stone.
Access already an issue for me (a local resident) when there is an event...  And an accident has already occurred on the junction between Norton Road and Briar Lane and more heavy traffic will not help...	Suggested the Parish Council request an additional passing place as part of the application.  Suggested that the Parish Council request a limit on the number of vehicles e.g. five per day.	It was noted that more than one passing place would be needed.  Cllr. Margaret Stone noted that Highways normally stipulate this requirement. She also noted that the application would need to be discussed at a District Development Management Committee meeting.

# Hales & Heckingham Parish Council

## APPENDIX 2

ITEM	2019 COMMENTS (From Annual Inspection on 26-06-2019)	RISK LEVEL	ACTION	OWNER
<b>Site</b>				
	General surface - molehills form trip hazard - recommended to remove moles or level-off molehills to eliminate trip hazards.	L-M	Clerk to brief D. Foreman to level-off	Clerk
	Sign - recommend infill/smooth down vandalism damage.	L	PG to check	PG
	Sign - secure the supports which are loose in the ground.	L	PG to check	PG
<b>Play House - Kompan</b>				
	Meets requirements.		N/A	
<b>Beauchamp - Adventure Playgrounds</b>				
	Replace 1 rotten post and another is showing signs of rot.	L-M	Clerk to get quotes.	Clerk
	Replace damaged caps x 2.	L	PG to order	PG
	Monitor worn ropes and replace when metal strands are found.	L	Clerk to brief D. Foreman	Clerk
	Surface is lifting - recommend fill gaps(mastic or black <b>wet pour</b> ) and joints as necessary.	L	Clerk to get quotes.	Clerk
	Repair/smooth down/infill vandal (axe?) damage.	M	PG to check	PG
	Nail removed by Parish Clerk at time of inspection.			
<b>Seesaw - Sutcliff</b>				
	Surface is lifting - recommend fill gaps (mastic or black <b>wet pour</b> ) and joints as necessary.	L	Clerk to get quotes. Clerk to ask D. Bracey re: Wet Pour suppliers.	Clerk
<b>Goal - Harrod</b>				
	Fail - Concrete in falling area. Cover it.	L-M	Clerk to get quotes.	Clerk
	Repair where concrete is slightly loose in ground, possibly due to vandalism.		See Minute item 19/66.4	Clerk / PG(?)
	Clean off algae from structure	L		
	[Rust has also recently been noticed by D. Foreman.]			
<b>Bridge - Adventure Playgrounds</b>				
	Fail - Entrapments in between ropes - <b>monitor</b> only.	L	Clerk to brief D. Foreman	Clerk
	Monitor worn ropes and replace when metal ends are found.	L	Clerk to brief D. Foreman to monitor	Clerk
	Fail - Protective surface is recommended under bridge and should be programmed into future development.	L	Clerk to brief D. Foreman to monitor	Clerk
	Monitor degrading of the plastic fixings (UV) - some have been taped over.	L	Clerk to brief D. Foreman to monitor	Clerk
	Replace missing bridge slat.	L	PG to check	PG
	Rope bridge (ropes & fixings only) is nearing the end of its useful life. Recommended to budget for replacement within a few years.		Clerk to brief D. Foreman to monitor	Clerk

# Hales & Heckingham Parish Council

<b>Embankment Slide - Adventure Playgrounds</b>				
	Meets requirements.		N/A	
<b>Shelter - Adventure Playgrounds</b>				
	Replace missing roof panel.	L	PG to action	PG
	Recommend infill/smooth down vandal damage.	L-M	Clerk to get quotes.	Clerk
<b>1 Bay 2 Cradle Seat Swing (2400mm) Wicksteed Leisure</b>				
	Meets requirements.		N/A	
<b>1 Bay 2 Flat Seat Swing (2400mm) Wicksteed Leisure</b>				
	Meets requirements.		N/A	
<b>Group Rocker - Type 2b - Wicksteed Leisure</b>				
	Meets requirements.		N/A

<b>Buddy Board - Type 1 Rocker - Wicksteed Leisure</b>				
	Meets requirements		N/A	
<b>Zig Zag Twister - Wicksteed Leisure</b>				
	Grease (grease nipples) two times per year. [Spring & autumn were recommended times.]	L	Clerk to brief D. Foreman	Clerk
<b>XS Cyclone - Wicksteed Leisure</b>				
	Grease (grease nipples) two times per year.	L	Clerk to brief D. Foreman	Clerk
<b>Pedal Cycle - Wicksteed Leisure</b>				
	Replace damaged cap.	L	PG to action	PG
<b>Skier - Wicksteed Leisure</b>				
	Meets requirements.		N/A	
<b>Rower - Wicksteed Leisure</b>				
	Meets requirements.		N/A	
<b>Space Walker - Wicksteed Leisure</b>				
	Meets requirements.		N/A	

# Hales & Heckingham Parish Council

## **APPENDIX 3.**

### **Item 12 – Composting Update**

The Composting Scheme is continuing to hold collections but this year the weight of garden waste collected is down on previous years. It remains difficult to get sufficient support for the collections and this is worrying for the longevity of the Scheme. Those involved have an enjoyable time so we hope that we can continue to attract sufficient support.

# Hales & Heckingham Parish Council

## APPENDIX 4.

### Hales & Heckingham Parish Council Parish Policing Report Nov. 2018

Recorded / published crimes 2019 to date for Hales & Heckingham as published on the Norfolk Constabulary section of the [www.police.uk](http://www.police.uk) website. Recorded crimes listed as between January & May 2019, timelines updated as at 30th June 2019.

#### January

Playing Field - Theft - Unable to prosecute suspect  
Playing Field - Theft - Investigation complete, No suspect identified  
School Lane - Vehicle Crime / Theft - **Suspect charged, awaiting court outcome**  
Gale Close - Burglary - Investigation complete, No suspect identified
