

# Hales & Heckingham Parish Council

## MINUTES OF PARISH COUNCIL MEETING

Held at Hales Village Hall on 11<sup>th</sup> September 2019

### Present:

HHPC Councillors: Sheila Beckett (SB) - Chair  
Georgina Buckle (GB)  
Phil Grimes (PG)  
Andy Woodman (AW)

Parish Clerk Eleanor Bannister (EB)

Other attendees: Cllr. Jeremy Rowe and Cllr. Margaret Stone  
Two residents of the Parish

**19/77 Welcome** – The Chair opened the meeting at 7.30pm.

**19/78 Apologies for Absence** – Received from Cllr. Alan Mason.

**19/79 Declarations of Interest** – None received.

**19/80 Approval of Minutes of the Meeting held on 17<sup>th</sup> July 2019** – Approved and signed.

**19/81 Parish Report from Cllr. Margaret Stone** – Cllr. Stone reported that Loddon Library was now part of the 'Open Library' scheme allowing the community greater access even when unstaffed. (See Appendix 1 for full report.) Cllr. Stone also requested to be kept advised of developments regarding the roundabout and if her assistance was needed, to be contacted. Additionally, Cllr. Stone requested a copy of the Parish Partnership funding application in respect of widening the footpath to the bus shelter, so that she could endorse it.

**19/82 Action Log from Meeting on 17<sup>th</sup> July 2019** – Reviewed. See pages 6 & 7 for updates.

**19/83 Meeting Adjourned for Public Forum** – A resident noted the objections they had submitted to the Faber Roofing development application given the anticipated increase in traffic and lack of clarity around junction rights by the War Memorial. It was suggested a 'keep left' sign on each side of the War Memorial could help. **See item 19/87.7**

**19/84 Meeting Reconvened**

**19/85 Environment & Amenities Working Group updates**

# Hales & Heckingham Parish Council

- 85.1 Verges close to Roundabout & A146 tree planting** – Dead trees have not yet been replaced and it is currently too stony to mow. All agreed to review in October.
- 85.2 Playing Field Annual Inspection Report** – See Appendix 2 for detailed update. It was noted that Ellingham has a good playground with cycle path.
- 85.3 Norfolk Highway Rangers** – It was noted that Highway Rangers have not yet responded to emails from the Clerk. Cllr. M. Stone recommended letting her know if there were any specific issues that needed attention. GB confirmed that the Community Pay Back Team have limited time and resources so were currently unable to take on work similar to that of the Highway Rangers.
- 85.4 Parish Map** – It was agreed that SB should progress this project having identified an art student who could create the map. All agreed the student should be offered £100 to produce the map and the rights to the map should be held by the Parish Council. It was also agreed that though not to scale, the proportions should be more or less correct. Some additions to the map were recommended. See Appendix 3.
- 85.5 Playground Goal Posts** – Agreed to consider new options when reviewing 2020/21 budget and to consider combined goal posts for 5-aside that include basketball hoops.

## 19/86 Road Safety & Traffic Management Working Group

- 86.1 One-way systems for BP Garage & signage** – It was not possible to find the original documentation provided by Highways indicating the one-way system option. All agreed the Clerk should contact Tim Vincent directly and ask if there were any constraints to installing a one-way system.
- 86.2 Speed Activated Monitoring Systems (SAMS)** – GB noted she had received two out of three quotes requested, including from Westcotec (possibly used by Haddiscoe and Chedgrave) and ElanCity used by Caistor. GB was confirming with Haddiscoe the manufacturer of their SAMS. The Clerk confirmed they had written to Haddiscoe Parish Clerk asking whether they would consider a trial loan of their SAMS to HHPC. AW noted the current sign in Hales no longer has any positive benefit and it was agreed it was not in the right location.
- 86.3 Norfolk Highways “Parish Partnerships” scheme for local highway improvements** – PG confirmed he had got a materials quote but would now get a labour quote for the widening of the footpath to the bus stop, and complete the application form. [Deadline is 6<sup>th</sup> December. Applications are considered after Christmas and outcomes are notified mid-March 2020.]
- 86.4 Village Hall Working Group** – The three Trustees confirmed to AM late July that they

# Hales & Heckingham Parish Council

would ask HHPC for their in-put as to how the proceeds of the sale should be used. It was agreed to confirm a deed of agreement and to discuss at the next meeting in October.

## 19/87 Planning Working Group (South Norfolk Planning applications)

- 87.1 2019/1252** – Faber Roofing houses – Application approved with conditions on 5th Aug. [Conditions did not relate to the wall or trees.] Cllr. P. Grimes declared his interest. PG also noted that the owner of Faber Roofing had confirmed his intention to begin site clearance in October. The owner had also verbally agreed that trees or hedges would only be removed between October and March. It was also noted that there remains the possibility that this plot will be combined with the single dwelling plot to the West of The Beeches. Noted: Residents will need to secure their own boundaries with the developer.
- 87.2 2019/1496** – The Old Brickyard, School Lane – Discharge of condition 3 of planning permission 2017/2612 (3) - Approved on 5<sup>th</sup> August.
- 87.3 2019/1519** – Discharge of Condition 11, Landscaping scheme of permission 2018 /2060 – Approved on 29<sup>th</sup> August.
- 87.4 2019/1567** – Hales Village Hall – Application received for proposed improvements. All approved the application as an improvement on existing amenities.
- 87.5 2019/1220** – North of Green Lane, Barn to dwelling – Application approved on 1<sup>st</sup> Aug. It was noted that this should result in approximately £460 in CIL funding.
- 87.6 2019/1224** - Land East of Briar Lane Heckingham (development of gallops & manege) Application approved at District Development Management Committee Meeting (DDMC) on 21<sup>st</sup> Aug. on the basis it supported “farming diversification”. Everyone agreed that all concerns highlighted by HHPC (primarily road safety and impact on ecology) and by Norfolk County Council Highways have been ignored. Planning Working Group to draft letter for the Clerk to send to the DDMC copying Norfolk Highways.
- 87.7 War Memorial Junction between Green Lane & Old Yarmouth Road:** Junction rights not clear and an increase in users was anticipated given application 2019/1252. It was agreed the Clerk should call Tim Vincent, Norfolk Highways to clarify how this could be addressed.

## 19/88 Police & Safety

- 88.1 Straw Bale Fires** (7<sup>th</sup> Aug.) – It was noted these took place off Norton Road where three separate bales were ignited and off Briar Lane where a long stack of bales were burned.
- 88.2 Code of Conduct - Behaviour to Councillors and Parish Council staff** – It was agreed to circulate information from NALC and include a brief statement on the HHPC

# Hales & Heckingham Parish Council

website in relation to unacceptable behaviour. Statement to be approved at next meeting.

**19/89 HHPC Newsletter / Bulletin** – Agreed SB to re-circulate draft for all to comment on/update soonest. AW to recommend images. All to check FAQs. Clerk to circulate possible dates and times for group photo.

**19/90 Parish Council external communications** – It was agreed that:

- 1. HHPC's preferred stance was for all external emails/letters to be sent from the Parish Clerk.*
- 2. If there was a specific instance when the above process could not reasonably be followed, then the Lead of the relevant Working Group could respond in their capacity as Lead, copying the Clerk and all other Parish Councillors. (The ideal variant of Option 2 is for the relevant correspondence to be sent to the Parish Clerk for onward transmission with a cover note or rider that has been prepared by the relevant Working Group Lead.)*
- 3. Facebook communication: Only 'statements of fact' could be posted on the HHPC Facebook page. Where HHPC is being asked to give an opinion, the individual with the enquiry would be directed to write to the Clerk, so the query could be added to the next HHPC agenda and discussed appropriately.*

It was agreed to add the statements above to HHPC Standard Procedures when next reviewed.

## **19/91 Correspondence**

- 91.1** Reports of two residents acting aggressively towards each other – It was noted that 101 was called (and 999 when necessary) and notified of any occurrences and this was the correct procedure.
- 91.2** Hales Common Transfer of registration of CL39-3881 – Noted.
- 91.3** Letter of thanks from resident in relation to improvements on verges around Hales roundabout – Noted.
- 91.4** Norfolk Highways Scheme on A47 between Thickthorn & Postwick; works expected to begin mid-September and last approximately three weeks, dependent on the weather – Noted.

## **19/92 Finance**

- 92.1 Internal Audit Report / Adepta** – Noted as being progressed.
- 92.2 AGAR documentation** – Formal approval anticipated shortly.
- 92.3 Computer for Parish Clerk** – It was agreed that this was a priority and should be progressed given existing complications and to reduce risk. PG to get quotes and circulate recommendation prior to October meeting.
- 92.4 Accounts for authorisation and payment:** All accounts below were approved. The Clerk shared a statement confirming the HHPC bank balances on the day as standing at:

# Hales & Heckingham Parish Council

- Instant Access Account: £14,131.71
- Unity Current Account: £6,599.42

### Parish Report September 2019

Norfolk County Councillor for Clavering Division - Margaret Stone

Parish or Urban areas within the Division: **Aldeby, Broome, Burgh St Peter with Wheatacre, Denton, Ditchingham, Earsham, Ellingham, Geldeston, Gillingham, Haddiscoe, Hales, Heckingham, Hedenham, Kirby Cane, Norton Subcourse, Raveningham, Stockton, Thurlton, Thwaite St Mary, Toft Monks, Topcroft, Wortwell, Alburgh**

---

### **Schools set to extend nurseries under new early childhood and family service**

Four more schools are to grow their nursery and childcare places as part of the move to Norfolk's new early childhood and family service.

The new service will be targeted at families that need extra support and provide services in local community venues and people's homes, reducing the need for stand-alone buildings.

Norfolk County Council has been working with schools, childcare providers and other community groups to find alternative uses for the buildings that will no longer be needed as children's centres.

The council has already revealed its proposals for 16 buildings, which include new nurseries across the county and a child friendly café, in Holt.

A further four are to be used by the county's primary schools:

Dussindale – currently operates out of Woodside Community Hub, in Witard Road. This building is also used by the County Council's Early Years team, who will now take on the space to support their work with nursery and pre-school providers.

---

### **Task and Finish committee looking at Rural transport**

We are convening a committee tasked with reviewing all transport in rural and urban areas. We continue to subsidise some routes and also subsidise the Border Hopper.

The voluntary car scheme is a great initiative by Alburgh to support their community and people who do not drive

---

### **40 libraries across county now open for longer (i.e. Poringland Loddon)**

The scheme is called Open Library, and it gives customers, partners and community groups access even when a library is unstaffed. It was rolled out in June 2018, with 30 libraries initially and 10 new libraries, this year

To sign up for Open Library, people just need to talk to a member of staff who can add the access to their library card and give them a PIN number. The library user presenting their card at the scanner, and entering their PIN number on the keypad, and they will be able to enter. They can then use the computers and borrow and return books using self-service machines as they would if staff were present.

Pease let me know of any issues where I may help you as your County Council:
